

Dr. Chris Wong

Dr Chris K Y Wong, graduated from Glasgow university medical school in 1983, and trained in one of the oldest hospital in UK and the world, St Bartholomew's Hospital, London between 1987 to 1992. I was trained in both interventional procedure and electrophysiology in London. In 1992, I returned to Hong Kong. I was elected the President of Hong Kong College of Cardiology between 2011 to 2013, and held the position as the Chairman of the Hong Kong Chapter of American College of Cardiology between 2009 to 2015. I am regularly attending meetings in Korea, and enjoy a close relationship with my Korean Colleagues. My major interest is in Bifurcation lesions and left main treatment.
